Subject: Request for Salary Increase

Respected sir,

I am writing to formally request a salary increase.

I have been working at NV media for 5 years, and I am confident that my contributions have significantly benefited the company. I have consistently met and exceeded expectations in my role as senior developer, and I am proud of the accomplishments I have achieved.

I believe that my current salary of 35,000 does not adequately reflect the value I bring to the company. I have carefully researched industry standards for my position and experience level, and I believe that a salary increase of 40,000 would be fair and equitable.

Thank you for considering my request. I am available to discuss this matter further at your earliest convenience.

Sincerely, Darshan mandaliya, senior python developer
